

1. Original drawings by Gaudí, his assistants and others (1874-1954)

Drawings and plans from between 1874 and 1954, including works by Antoni Gaudí, Joan Matamala, Josep Ma Jujol, Francesc Berenguer, Joan Bergós, Josep Costa (Picarol), Ricard Opisso and Ramon Casas. The collections contain student work by Antoni Gaudí, some of his original drawings that survived the destruction of his archive in 1936, and plans of works such as La Pedrera, Casa Batlló and Parc Güell. The archive contains 300 documents, some of which are accessible in the [Digital Memory of Catalonia](#).
